*To check if and item is in stock go to the website and add it to the shopping cart.
 We will charge for any difference in price on an upgrade.

Reason for sending it back. (please fill out)

We recommend shipping the item with a carrier such as UPS or FEDEX that uses tracking numbers. Keep a copy of your air bill, it will have your tracking number. Once your product has been returned to our warehouse, checked in and serial number verified your account will be credited. Keep in mind, all store website returns must be completed within 30 days after the order date. With CDMA phone (Sprint, Verizon, etc) it is possible to get a phone with a bad ESN. In this situation we will send out a replacement. Cash returns will be subject to a 15% restocking fee. Please keep in mind that shipping and handling fees are non-refundable.
